Dedham Square Artist Guild: Artist Challenge Prospectus

MAY - JULY: BOLD COLORS (EXHIBITION DATES: MAY 1 - JULY 31, 2018)

BOLD COLORS

Bold colors draw our attention, shock us, stop us in our tracks, create geometric realities.

How does color influence our attitudes toward an object, a scene, an emotion? Helen Frankenthaler and Piet Mondrian each used bold colors in different ways. Bold colors live in nature, and in our created world.

Show us your bold colors in any medium in two and three dimensions.

This show will be hosted in the lower gallery at the Dedham Community Theatre.
